

Cops-n-Bobbers®

Stevens Point Elks Lodge #641
Portage County Sheriff's Office
Stevens Point Police Department
Plover Police Department
Wisconsin Department of Natural Resources
The Cops and Kids Foundation

About the program:

Portage County Law Enforcement agencies, The Cops and Kids Foundation and the Stevens Point Elks Lodge #641 will be hosting the 8th annual Cops-n-Bobbers® program at Bukolt Park, Stevens Point, WI (At the shelter). The program is a unique fishing experience where children ages 4-13 and their parents can enjoy a day of fishing with their local law enforcement officers. Building bonds between children and their parents is important, so each child will have a parent or guardian with him/her. The program gets kids "hooked" on fishing, not drugs or violence.

When the program is:

The event will be hosted on June 04, 2016, which is free fishing weekend, so no fishing license is required. Bait and some equipment will be available for use, or children are welcome to bring their own equipment to use. The time for the catch and release tournament style program will be from 9:00A.M. to 11:00A.M., a provided lunch and prizes will follow from 11:00A.M. to 12:00P.M. There will be no cost to the children or their parents for the program. **Again this year we will be giving prizes given for biggest fish!!**

How to register:

To get an approximate number for food and T-shirts please register with the Portage County Sheriff's Office by May 20, 2016. **Please call (715) 346-1425 to register for the Cops-n-Bobber® program or by the email listed below. Individuals will be directed to Deputy Koepsell's voicemail** and asked to leave their name, contact information, number of attendees, if equipment needed and shirt sizes for children (please indicate adult or youth sizes, S-M-L-XL-XXL).. You may also register by emailing Deputy Koepsell at koepselle@co.portage.wi.us or Officer Seth Pionke at spionke@ploverwi.gov giving the requested information above. Also we ask that individuals check-in prior to the program starting at 8:30A.M.
